As is the tradition in Mattapoisett, the town's Annual Halloween Parade, sponsored by the Police Department, stepped off Monday night at 6:00 pm without a hitch. Ghostly apparitions, frightening ghouls — along with a few contemporary doses of Disney characters and other cartoon heroes — could be seen hobbling around the center of town with their oversized bags and totes in tow, waiting for them to be filled with sweets.

The parade started from the south side of Center School on Church Street and wound through the center of Mattapoisett, returning to Center School where prizes were awarded to the Best Costumes in each of five categories. Free candy was also given to all participants.

A three-person panel of judges comprised of Board of Selectmen Chairman John N. DeCosta, Marlene Goddu, and Cheryl Souza selected the prize winners in each of the categories.

Funding for the Annual Halloween Parade was provided through the generosity of the residents of Mattapoisett and several local businesses who displayed donation cans since the beginning of October.

State Election Slated for November 8

Voters Are Urged to Brush Up on Referendum Questions

Voters throughout the Commonwealth of Massachusetts will head to the polls for a statewide election on Tuesday, November 8. Polls will open at 7:00 am and will close at 8:00 pm. Though there are several hotly-contested races to decide — not least among them the Edward M. Kennedy/Mitt Romney battle

for the State Senate seat — voters are urged to prepare for the nine referendum questions which will appear on the ballot (ten in Plymouth County).

In an effort to reduce the amount of space on each ballot, none of the questions are defined or clearly labeled. Hence, area Town Clerks are advising residents to review the red "Information for Voters" booklet which was mailed last month. (For additional copies, contact your local Town Hall.)

As an aid to voters, following is a capsule description of each ballot question in the order they will appear on Tuesday's ballot:

• *QUESTION 1: Spending on Ballot Question Campaigns.* A "YES" vote would limit the way in which business and certain non-profit corporations contribute to and spend money on ballot

question campaigns. A "NO" vote would make no change in the way corporations may contribute to and spend money on ballot question campaigns.

• *QUESTION 2: Seat Belt Law.* A "YES" vote would continue the new law passed by the Legislature requiring the use of seat belts. A "NO" vote would repeal the new seat belt law.

• *QUESTION 3: Changing the Law regarding Student Fees.* A "YES" vote would approve the new law passed by the Legislature that prohibits students from authorizing a waivable fee to be assessed on tuition bills at community colleges, state colleges, and the University of Massachusetts for nonpartisan student organizations that try to influence state legislation. A "NO" vote would repeal the new law regarding student fees.

• *QUESTION 4: Term Limits.* A "YES" vote would prevent the name of a person from being printed on the state ballot as a candidate for certain offices if the person had already served a specified number of terms in that office. A "NO" vote would make no change in the state election laws.

• *QUESTION 5: Opening of Retail Stores on Sunday Morning and Certain Holidays.* A "YES" vote would allow retail stores to open on Sunday morning and on Memorial Day, July Fourth, and Labor Day. A "NO" vote would make no change in the laws regulating the hours of retail stores on Sunday morning, or on Memorial Day, July Fourth, and Labor Day.

• *QUESTION 6: Graduated Income Tax.* A "YES" vote would change the state constitution to replace the current flat income tax system with a graduated system. A "NO" vote would leave the state constitution unchanged, thus maintaining the current flat income tax system.

• *QUESTION 7: Personal Income Tax Changes.* A "YES" vote would enact into law graduated income tax rates, and would change certain deductions, exemptions and credits, if the proposed constitutional amendment requiring a graduated income tax is approved (Question 6). A "NO" vote would make

Negotiations with Selectman Mahoney and Selectman Lambalot.

Under incoming correspondence, Chairman DeCosta cited a response from State District Highway Engineer Bernard McCourt, confirming the fact that the line markings on Route 6 through Mattapoisett will remain as they currently appear. The board met with Mr. McCourt, Rep. William Straus, Safety Officer Paul Magee, and Police Chief James F. Moran last week to discuss the Massachusetts Highway Department's pending plans for Route 6 repaving and renovations.

In his letter, Mr. McCourt stated he was pleased that the town had offered such viable input on the project. "Your message that 'if it isn't broken, don't fix it' came across loud and clear," he wrote. "Since traffic accident data and volume at this time do not appear to require a change to a four-lane configuration, we will replace the markings on Route 6 as they currently appear."

Mr. McCourt also noted that they will consider placing a cross walk in the vicinity of Pearl Street at the board's request. Chairman DeCosta said he was very pleased with the response they've received from the Massachusetts Highway Department and the consideration the town has been given in offering input.

The board next received notice that three press conferences will be held to announce the results of the Commonwealth's Committee on Public Safety's two-year study of the capital needs for municipal police and fire departments. Both Selectman Lambalot and Chairman DeCosta agreed that Mattapoisett would not be eligible for any of the money in question, as the town is not viewed as being in dire need.

communities which have public fire protection to assure that existing public fire protection is available to individual property owners. According to Ms. Adams, Fire Chief Ronald Scott is preparing the necessary paperwork on this matter and is planning to meet with the Customer Service Representative for the company.

Under the Executive Secretary's report, Ms. Adams informed the board that the new 1995 Beach and Wharf Privilege Permit Stickers are now available for purchase at Town Hall. The one-year stickers are now renewable on an annual basis and cost $4 per sticker, per vehicle. Seniors aged 70 years or older can obtain the stickers free of charge.

Ms. Adams also reminded the board members that the next Tri-Town Selectmen's Meeting will be held on Thursday, November 3 at 7:00 pm in their office. She said if there were any items they wanted to discuss, they should let her know by that morning so she could prepare an agenda. Selectman Lambalot noted that the Pedestrian/ Bicycle Path through Fairhaven, Mattapoisett and Marion might be of interest to all three towns.

At 7:30 pm, Chairman DeCosta opened a Public Hearing upon a request from Com/Electric to install a conduit at the intersection of Shipyard Lane and Foster Street. The board noted that as no abutters were present to oppose the project and since Water/ Sewer Superintendent William T. Nicholson had approved it, they would also grant the request via majority vote.

At 7:45 pm, the board convened with Town Moderator Richard W. Blasdale, School Committee Chairman Andrew Lynch, and Finance Committee Chairman Elizabeth Kunz to consider three appointments to fill vacancies on the Finance Committee. Mr. Blasdale noted that according to the Town By-Laws they needed to appoint one representative from the east section of town and two members at large.

Chairman DeCosta moved the appointment of Richard A. Gamache of Crook's Way, who formerly served on the FinCom, as a member at large. The motion was seconded by Mr. Blasdale and

carried unanimously. Chairman DeCosta also moved the appointment of Philip Murray of Channing Road as the representative from the east section of town. Mr. Murray's appointment was also carried via unanimous vote.

Lastly, Ms. Kunz suggested the appointment of Ling Ling Chang of North Street, who works as a Financial Planner for the Southeast Regional Planning and Economic Development District (SRPEDD). Ms. Kunz noted that her involvement with SRPEDD would probably serve the FinCom well. Ms. Chang was conditionally appointed via unanimous vote, pending her acceptance of the position.

There being no further matters to come before the board, they voted to adjourn for the evening at 7:55 pm.

Marion Selectmen's Meeting

November 1, 1994

By Bethany Morgan

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, November 1 at 7:00 pm by Chairman Loretta B. Schaefer. Also present were Selectman Albert E. Winters, Selectman Jonathan "Jody" E. Dickerson, Executive Secretary Ray E. Pickles, and Secretary Helene Craver.

Following the signing of the warrants and the approval of the October 25 minutes, the board voted to not hold a meeting on next Tuesday, November 8, due to lack of a quorum.

The board received a letter of resignation from John W. Hoagland, indicating he is unable to meet the responsibility of the Finance Committee as his business demands more of his time away from town. The board accepted his resignation with regret.

The Department of Environmental Protection wrote the board indicating that it is reviewing the town's Water Management permit amendment application as prepared by Camp, Dresser & McKee, Inc., for withdrawals in the Buzzards Bay River Basin. The application seeks to add the New Bedford Road Well (South Well) to

Clyde F. Akins Jr. of the VFW wrote to the board requesting to meet with them regarding the stewardship of the Music Hall on Front Street. The board agreed to meet with the VFW at their November 22 meeting.

The Massachusetts Department of Revenue, Division of Local Services, certified that $166,779 in funding is available as of July 1 for the Old Rochester Regional School District.

The board received notification from the Mattapoisett Board of Selectmen that the Tri-Town Selectmen's Meeting has been scheduled for Thursday, November 3 at 7:00 pm in the Mattapoisett's Selectmen's office.

Louis R. Nickinello, President of Ackerley Communications of Massachusetts, Inc., informed the board that it has applied to the State Outdoor Advertising Board for permit renewals for the two-sided billboard at the intersection of Route 6 and Point Road.

At 7:10 pm, the board met with Dennis Luttrell of the Conservation Commission. Mr. Luttrell's purpose for the meeting was to update the board on the Commission's goal for regionalization. Mr. Luttrell met with members of Acushnet, New Bedford, and Rochester in order to develop a draft for the regionalization plan. If such a plan goes through, another Regional Conservation Agent will be hired.

Mr. Luttrell wished to know the board's interest in regionalization as well as its interest in any projects so that the $400,000 in funding can be allotted to the correct parties during the structuring process. Mr. Luttrell also said that the plan for regionalization was much like that of the health organization. The plan will be available for presentation during the Annual Town Meeting in 1995.

Executive Secretary Ray Pickles said the commission need not structure its referendum question to call for the re-adoption of Chapter 40, Section 8C, a question asking to regionalize would be adequate. Mr. Pickles also noted that the funding mechanism must be included in the first draft of the commission's capital and operating items to be submitted to the Finance Committee by December 1.

Mr. Pickles suggested to Mr. Luttrell that the plan will require the education of the public, so that "the focus on the Conservation Agent should change from the regulator role to one that helps the applicant," as its original function. Mr. Luttrell responded that the ConCom does not want a "wetland cop," and his point was well taken. The board supported the plan and gave Mr. Luttrell the go ahead.

At 7:25 the board met with Anne Washburn of the Cemetery Commission to discuss Blankenship Cemetery. Ms. Washburn requested the board follow up on the offer from the Stone family to donate two acres of land to the cemetery for town use. Ms. Washburn reminded the board that in 1991 the town looked into purchasing more property for the cemetery but found the restrictions involved not to be in the best interest of the town. This donated land from the Stone family will not include restrictions, but will include some financial aid.

The board agreed to look into this matter further.

Mr. Pickles reported that a contract has been signed for the cleanup of Delano Road to be completed prior to November 14.

There being no other matters to come before the board, they unanimously voted to adjourn at 7:45 pm.

Rochester Selectmen's Meeting

October 31, 1994

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, October 31 at 7:00 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes, Selectman Michael Murphy, and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the October 24 and October 25 meetings of the board, the Selectmen went over incoming correspondence from the week, beginning with a copy of a letter from New Bedford Attorney Walter P. Faria to Police Chief Walter V. Denham, who wrote to comment on the recent developments involving the chief and the Board of Selectmen. According to Mr. Faria, he feels Chief Denham has been unfairly criticized by the board in being forced to take a management course.

"Having been a Selectman for 10 years, I have had some experience working with police chiefs and police officers and I would have to say that your department perhaps is one of the most professional departments that I have come in contact with in my professional career," he wrote. "I have never met (Chief Denham) personally, but I would just like to say that whatever you are doing as a chief and administrator, it has resulted in a very professional and dedicated department.

"As a future Rochester resident, I can only say 'keep up the good work and that Selectmen come and go so don't even think about turning in your badge,'" he concluded.

Chairman Hughes next cited a letter from Superintendent of Schools Joan M. Walsh regarding the recent problems concerning an outstanding electric bill at Memorial School. Ms. Walsh noted that the Rochester School Committee recently voted to pay $13,279 to Com/

Electric in order to settle the matter. Finance Committee Chairman Pat Ryan advised the School Committee that the town had some $19,000 in a reserve account to cover the bill.

Andrew J. Santos, the Associate Superintendent for Business with the ORR District, sent a letter to the board asking permission to dispose of several older textbooks which are no longer being used at Memorial School. As the Rochester School Committee already voted to dispose of said items, the Board of Selectmen also unanimously voted to allow the books to being disposed of "however they see fit," according to Selectman Hawkes.

The Board of Appeals also submitted a formal request to seek Legal Counsel in a matter involving

Coachman Realty Trust. The board unanimously voted to grant the Board of Appeals' request.

Also submitted from the Board of Appeals were copies of recent decisions rendered upon a petition from Ernest E. Guinen, Jr. of North Avenue (request for a variance of Protective By-Laws from side lot set back requirements, which was denied) and Annie Maxim House, Inc. on North Avenue (request for a Special Permit to allow construction of an accessory structure larger than the allowed 750 square feet, which was approved).

Under notices for the week, Chairman Hughes noted that the Board of Appeals will be holding Public Hearings on Thursday, November 11 at 7:30 pm (request of William R. O'Neil, Cranberry Highway) and 8:00 pm (request of Donald C. Letourneau, Rounseville Road). The Planning Board will also hold Public Hearings on Tuesday, November 22 at 7:00 pm (Form C Subdivision for David and Heidi Bassett, Pine Street), 7:15 pm (Form C Subdivision for Richard S. Cole, Rounseville Road), and 7:30 pm (Form C Subdivision for Henry B. Smith, Walnut Plain Road).

Under Old Business, Selectman Hawkes moved that the board check with the Personnel Committee to see how they're progressing on setting up a new Personnel Policy for the town. The motion was passed unanimously by the board.

Chairman Hughes also requested that the board

set dates for the annual Door Decorating Contest and Christmas Tree Lighting events. They agreed that the Town Tree Lighting would be held on Wednesday night, December 14 and the judging of the Door Decorating Contest would be done on Monday, December 19, immediately following the regular Selectmen's meeting. The board also set aside December 3 as the day to inspect all sites up for renewal of their Earth Removal Permits.

Under New Business, Chairman Hughes asked if the board could set up a meeting with the Planning Board to discuss preparation of a Community Action Statement for the town. According to Mr. Hughes, there are some state and federal monies which will soon be made available to local home buyers and existing home owners through the Marion/Mattapoisett/Rochester Housing Co-Op and similar organizations. However, in order to apply for said funding, the town must have a Community Action Statement in place.

Mr. Hughes suggested that they meet with the Planning Board, along with Fred Underhill, the town's representative on the Housing Co-Op, to see what needs to be done to prepare such a statement. The board unanimously voted to invite the Planning Board in to discuss this matter at their earliest convenience.

The board also unanimously agreed to schedule a meeting with all department heads involved with town finances on Monday, December 5, immediately following their regular session. Those invited to attend will include

At 7:20 pm, Chairman Hughes opened a Public Hearing upon a request from Eben Bumpus of Mary's Pond Road for a Class II License to sell used automobiles on his property. Selectman Murphy excused himself from the proceedings. Mr. Hughes noted that the request had been approved by the Zoning Board of Appeals, and Mr. Bumpus plans to display only one vehicle at any given time. Selectman Hawkes, however, did not want to grant the license as Mr. Bumpus was not present for the hearing.

and ask (Mr. Bumpus) that he grace us with his presence," she said.

Chairman Hughes said he had no objections to granting the license, but also agreed to continue the hearing until Mr. Bumpus could attend.

At 7:30 pm, the board met with Aristides Papadakis of Towne Pizza regarding a request to put one video game machine in their establishment. Mr. Papadakis said he would only be putting one video game machine in the restaurant, and he wanted to know what needed to be done to get a permit.

Chairman Hughes said that since the establishment has had video games in there before, he had no objections to allowing it again. The board unanimously agreed, and pro rated the permit for the remainder of the year in the amount of $4.16.

At 7:35 pm Eben Bumpus came in and the board agreed to re-open the hearing for his Class II License. Selectman Murphy again excused himself. Mr. Bumpus explained that he plans to buy and sell used cars at an auction and he needs a Class II License in order to attend the auction. He would only be displaying one vehicle at a time for sale on his property and the license would be issued solely in his name.

There being no objections from the board and no abutters present, the Selectmen unanimously voted to grant the Class II License at a pro-rated amount of $16.66

Letters to the Editor

To the Editor:

On behalf of all of us associated with the Old Rochester Regional School District, I would like to thank all who participated over the years in the process which has brought us to the implementation of our renovation program at Old Rochester Regional High School.

Over the summer, the asbestos was removed; the ceiling tiles and lighting fixtures were replaced improving the lighting in the classrooms, offices, hallways, the library, the cafeteria, and the auditorium. Additional improvements in the auditorium include a replastered and repainted ceiling and the installation of a new stage lighting system. All the fire doors have been replaced and will remain open except in the case of an emergency when they will close electronically. We await the installation of shades on the front of the building. Handicapped lavatories have also been installed.

In terms of the heating system, the oil tanks have been replaced, and new boilers will be connected with provision for zoned heating of the offices.

It has taken a good deal of effort, hard work and cooperation on the part of many people to make all of this happen during the space of a summer. Special gratitude goes to the Old Rochester Regional Capital Improvement Committee: Chairman Paul Lambalot, Mattapoisett Board of Selectmen; Loretta Schaefer, Marion Board of Selectmen; Peter B. Hodges, Mattapoisett School Committee; Alan Bare, Old Rochester Regional District School Committee; Llewellyn Roberts, Old Rochester Regional District School Committee; Karen Jacobsen, Community Representative from Marion; and Bruce Maksy, Community Representative from Rochester. Our thanks to all.

We invite the community to an Open House at the school which will be held on November 19 from 4:00 to 6:00 pm so that all may see the new improvements. Please join us.

Sincerely,
Joan M. Walsh
Superintendent of Schools

To the Editor:

We would like to take this opportunity to publicly thank Tabor Academy for the new carpeting throughout the hallways of the Town House. Our fine, old building has become more attractive and welcoming through this most generous donation by Tabor. There is an atmosphere of peacefulness and warmth, which is noticeable as one steps through the front door. For those of you who have not had the opportunity to see the new carpeting, please

like to extend our appreciation to Cerulli's Gourmet Foods, Village Signs, Maliboxes, Etc., Giammalvo's Market, Billy Hubbard, Nick Nicholson, Albert Sylvia, and its members who participated in making our Craft Fair (held on October 27) such a success. Special thanks to Elaine Sylvia for all her time and effort. We hope to see all those that attended again next year as we keep growing.
Sincerely,
Mattapoisett Firefighters' Auxiliary

Marion Veterans Day Parade

The 35th Veterans Day Parade for Marion-Wareham will be held in Marion this year. The parade will form at 12:30 pm on Friday, November 11 in the field at the corner of Main and Park Streets in Marion. This field is located at the rear of Sippican School. The parade will step off at precisely 1:30 pm. All units are encouraged to be prompt.

The parade route is as follows: Main Street to Spring Street, left onto Spring Street to Route 6, right on Route 6 to Front Street, right on Front Street to Main Street, Main Street to the disbanding area behind the Sippican School.

If any organization plans on participating, they should obtain an entry form from the Marion VFW Post, or call 295-6620 for further information. Refreshments will be served after the parade in the Marion Town Hall. In the event of rain, services will be held at 1:30 pm in the Music Hall (VFW Post) on Front Street.

Holly Berry Fair

The Holly Berry Fair will be held on Saturday, November 5 from 9:00 am to 3:00 pm in the Parish Hall of the Mattapoisett Congregational Church (27 Church Street). Sponsored by the Women's Community Guild, this festive affair will kick off at 9:00 am with coffee and pastries served by Phyllis Ryan and her committee.

Tables will feature children's shopping, toys, jewelry, hand mades, gifts, attic treasures, silent auction,

Christmas Fair in Rochester

Many exceptional hand crafts have been created by the men and women of the First Congregational Church of Rochester over the past year. These items will be offered for sale at "The Christmas Faire" to be held in the Fellowship Hall on Saturday, November 5 from 10:00 am to 3:00 pm.

The location of the fair in the new Fellowship Hall, which is handicap accessible, is most welcome by friends who found the stairs in the old building a hindrance.

Special offerings at the fair will include many hand-painted wood pieces, hand knits, new and interesting Christmas decorations, quilted tree skirts and Christmas stockings, the very popular Fresh Baked Goods, and homemade candies.

For the children again this year they are offering a special Kids Shopping Corner (no adults allowed). The children can have the fun of buying gifts for mom and dad ... in secret, at minimal prices. This was one of the most popular areas of the fair last year. Also for the kids there will be Puppet Shows all day on the half hour.

A Soup and Sandwich (seafood salad or chicken salad) Luncheon will be served from 11:30 am to 1:30 pm. The chairmen of the many committees include Edith Lizotte, Corinne Martin, Roxanne Costa, Yvette Beaumont, Ann Hamilton, Dot Tuttle, Katherine Church, Margie Skrutski, Nola Hindemith, Kathy Haverty, and Joan Asker.

served in the Philippines during World War II. The medals, free of charge, are being issued — along with five others costing $7 each — by the Defense and Armed Forces Affairs Office at the Philippine Embassy in Washington, D.C.

Eligible for the medal are veterans who served in the Philippines for no less than 30 days from October 17, 1944 to September 3, 1945. The other medals and those eligible include:

• Philippine Defense Medal — veterans who served for not less than 30 days from December 7, 1941 to June 15, 1942.

• Philippine Republic Presidential Unit Citation Badge — veterans who served from December 7, 1941 to May 10, 1942, and during the campaigns from 1944 to 1945.

• Victory Medal — veterans who served between December 1, 1941 and December 1, 1946.

• Asia Pacific Campaign Medal — veterans who had continuous service for at least 30 days in the Asia-Pacific theater of operation from December 7, 1941 to March 2, 1946.

Those eligible for one of more of these medals should send a letter, with a copy of their service record (DD Form 214), to Defense and Armed Forces Affairs Office, Embassy of the Philippines, 1600 Massachusetts Avenue NW, Washington, DC 20036. Or, for further

Book Fair at Sippican School

"Flying High," Sippican School's Paperback Book Fair for Children, will open to the public at 9:00 am on Tuesday, November 8 in the auditorium of Sippican School (12 Spring Street in Marion). For two days this book fair has the largest selection of quality children's paperbacks in one place in southeastern Massachusetts.

The fair will be open to everyone all day on Tuesday, November 8 and Wednesday, November 9, from 9:00 am to 7:00 pm. (Marion voters will be able to refresh themselves on November 8 by going from the voting booth to the fair ... just follow the balloons.) There will also be special hours set aside on Monday, November 1 for students in Kindergarten and Grade 1, along with their parents, guardians and relatives.

"Flying High" is a "hands-on" fair, where everything on display can be purchased. No ordering is required and no waiting! Selections will run from advanced Grade 6 down to Pre-School board books. Reference books and workbooks are also included as are books on crafts and jokes for children. Despite all the efforts to find bargains, books have become much more expensive this year. At this fair the average price for children's paperbacks is about $3.95 a book.

A special Parents and Grandparents Section, stocked by The Bookstall of Marion, will offer more expensive paperback titles, treasured and difficult-to-find

classics, boxed sets, and many other beautifully-illustrated hardcovers for birthday and other gifts. A holiday and Christmas table will also be featured.

"Flying High" is organized by VASE (Volunteers At Sippican Elementary) in cooperation with The Bookstall in Marion. It is staffed by VASE volunteers, whose work the fair makes possible. The public is welcome throughout the day as well as in the after-school and evening hours. Notices showing the times each class will be attending the fair will be sent home to every school family. Parents are encouraged to join their children in the auditorium during the school day as well as later.

All profits from the "Flying High" Book Fair goes to VASE, which uses the money to supply needed extras for Sippican School's Library, Resource Center, and to support other VASE school activities.

November 9 at 7:30 pm. The workshop will be presented by the FCD Foundation, Inc. (Freedom from Chemical Dependency), a world-wide non-profit alcohol, nicotine, and other drug prevention education organization based in Needham, MA.

According to FCD, hardly any children in Kindergarten through Grade 4 have problems with alcohol or other drugs, and this workshop is designed to keep it that way. In more and more communities across the nation, the average age of first experimentation has moved from Fifth Grade down to Fourth Grade.

The workshop is designed especially for parents, because they alone have the greatest impact on their child's development during those early years when they are most teachable and when patterns are not yet established.

Parents can expect to get all the information they need to convey a message of non-use within the framework of love and concern for their child. The workshop includes guidelines on what parents need to know, what they need to say, and how to say it best. For further information, please call 748-0100.

Early Childhood Advisory Council

The Tri-Town Early Childhood Advisory Council will meet at the Center School in Mattapoisett on Tuesday, November 8 beginning at 3:30 pm. The meeting will take place in the school cafeteria. This year the council will conduct a comprehensive, community-wide needs assessment of families with children from birth through age eight.

The council last conducted a comprehensive assessment in 1986. The council in interested in assessing how well current educational, health, social, and recreational services and programs meet the needs of young children and their families in Marion, Mattapoisett, and Rochester. At Tuesday's meeting, the council will begin formulating the survey design.

The Early Childhood Advisory Council is composed of parents, interested community members, and professionals from the local early childhood community. It includes representation from the public schools and private programs. It oversees the work of Project GROW, which provides information, programs, and services to Tri-Town area young children and their families. Interested community members are encouraged to attend.

Plumb Memorial Library

The Plumb Memorial Library's Homework Center will be opening the first week of December. There will be a training session for volunteer homework coaches on Thursday, November 10 at 6:30 pm. Anyone interested in volunteering as a coach should plan on attending this important training session. Those who are unable to attend the session should contact Lucy Van Petten at 763-8600 to make other arrangements.

Rochester residents now have access to the holdings of all SEAL network libraries through the Plumb Library's recently-installed Public Access Catalog. Patrons can search for holdings of the Plumb Library as well as those of all the surrounding libraries, including New

BUY OR SELL FIRST?

Here is one of the oldest questions in the real estate business: "Should I sell my house first and then scramble to buy a new one or should I find the new one first and then sell?"

Actually, both steps could be taking place simultaneously, but you'll need more information first and a helping hand to coordinate the steps so they'll fall into place painlessly. Your first step should be a visit to an experienced residential agency like ours. We will prepare a marketing plan for your present home. This will give you a firm basis for planning your new purchase. You'll have an idea of the cash you will have available to use for the downpayment on the next house.

Also you'll have a time-frame for the sale of your present home from listing to passing. This will help in planning the time you'll need to wrap up the purchase of the new home.

In selling one home to buy another, you are not alone. Over 70% of all residential transactions are hinged on one sale taking place before another is consummated. Our agency will help make this transition more profitable and less stressful.

Call **Bob** at **Fisher & Rocha, Inc., 758-6738** or stop in at our office at 17 Fairhaven Road, Mattapoisett. **We're here to help!**

Marion Winter Recreation

Youth Tennis Lessons, taught by Bob Hohne, the Boys' Tennis Coach at ORR High School, are being offered as part of the Marion Winter Recreation season. Class size is limited to nine students.

Lessons are offered for 60 minutes and are held Saturday afternoons in the Sippican School gym. The session consists of twelve lessons. The younger, less experienced players are scheduled earlier. Snow dates will be made up by extending the season.

To register, please get an application form from the Elizabeth Taber Library and send it in along with a $36 check made payable to the "Marion Athletic Club." The fee includes all ball charges. Please complete a separate form for each child.

Applications can be mailed to the Marion Recreation Committee, P.O. Box 539, Marion before November 7. If you register after November 7, the fee will be $40. Phone registrations will not be accepted. On November 11 you will be notified by phone as to class time. For financial aid, call the office of the Marion Recreation Committee at 748-3507. Children who turn 6 before December 31 are eligible to enroll. Junior and senior high school students are encouraged to register. Opening day is November 12.

Information on other Winter Recreation Programs — including Youth Ice Skating Lessons, Youth Tumbling Lessons, Men's Competitive Basketball, Men's Master Basketball, Women's Basketball, Adult Recreational Volleyball, Adult Competitive Volleyball, Adult Tennis Lessons, and Indoor Tennis Time — can also be obtained by calling 748-3507.

Parish Retreat

On Saturday, November 19, from 9:30 am to 7:30 pm, St. Anthony's parish is presenting a day of reflection for families — a time for families to come together to play, pray, and share their love for each other and their God. The retreat will be directed by Fr. Richard Landry and the LaSalette Team and will offer music, games, arts and crafts, family sharing, meals and snacks, quiet time, and Family Liturgy.

Children's activities are geared for ages 6 and older. Single parent families are welcome. For further information, please call Natalie Taber (758-3735), Kathy McCarthy (758-2493), or John and Nella Johnson (763-3191).

Important Announcement

Due to an unavoidable computer error, the first shipment of the blue and green coverlets sold by the Mattapoisett Woman's Club at Harbor Days are faulty and will not last through normal use and/or washing. The company is recalling and replacing (at no cost to the buyer or the club) all those coverlets which lack a double row stitching along both sides. Only the first shipment of blue and green afghans is affected. All of the cranberry coverlets and any blue or green purchased after August 1, as well as any picked up at the Bowlmor Lanes Bowling Alley, are not in the recall.

The new coverlets (blue and green) should be in

Rochester Bowling League

At the Bowlmor Lanes in Mattapoisett on October 26, alleys 11 and 12 proved to be a Halloween jinx for Sturtevant and Hook, who were victims of Mike Mann (404) and Beaton Cranberry. Walter Shepard posted a 434 for Sturtevant and Hook, but could not stop the three-point slide. The Bowlmor Five were chipped up for three points by Hartley's Sawmill. Henry Hartley was high for the mill team with a 446, while Jack O'Leary spun a 406 for the house team. Bill Blake's 348 helped salvage one point for the Bowling Stones in their match with Boulevard Funeral Home. A 361 by Gene Pepin was top score for the

A look at traditional flower essence of Dr. Edward Bach, M.D. (1886-1936) who believed that the ills of the heart and spirit must be the focus of a healers attention.
The closer the two faces (inner and outer) are together, the better.
A primary characteristic of degenerative disease is the difference between the way a person appears and the way he really feels. A pretense.
The art of healing is learning to mobilize a person's will.
"The use of flower remedies is to re-inforce the change of a person's will, remembering doubt and depression as not of ourselves, for our souls know only joy and happiness." -*Dr. Edward Bach*

Mattapoisett Boy Scouts

The Mattapoisett Boy Scout Troop 53 has started their meetings for the 1994-1995 school year. Activities are not confined to the school year, however, and often continue throughout the summer. Many scouts completed a week at Boy Scout Camp Cachalot in Carver. The boys also participated in a weekend trip to Westover Air Force Base for an Air Show.

Upcoming events include popcorn sales; "Scouting for Food," a fund raiser for the United Way; and "Biking for Sight," which benefits the Lions Club. The troop also plans a weekend hiking and camping trip in New Hampshire.

Any boy in Grade 6 or older that is interested in joining the Boy Scouts can either call Scoutmaster Phil Gaudet (758-9403) or Assistant Scoutmaster David Gundersen (758-4709).

Marion Art Center

The Price

Arthur Miller's play, "The Price," will open at the Marion Art Center on Thursday, November 3 at 8:00 pm. The drama takes place in a crowded attic full of furniture and other objects that belonged to the father (deceased 16 years ago) of two brothers. Viewers will relate to the universal dilemma of the problems of dealing with an older relative and what to do with his things.

The play will be staged on November 3 through 5, and November 11 and 12 at 8:00 pm, with a Sunday afternoon matinee slated for 4:00 pm on November 13. Tickets are $8 for members and $10 for general admission. Reservations are recommended and can be made by calling 748-1266.

Adopt A Greyhound

Every year thousands of racing greyhounds are put to sleep needlessly. Many of these are young dogs under the age of three whose only crime is not being fast enough. Few people realize that these loving, gentle dogs make excellent family pets.

Greyhound Pets of America, a local organization devoted to saving these beautiful animals, has numerous young dogs available for adoption right now. For more information, please contact Brenda at 763-2357 or Kathy at 947-3654.

Rochester Lions Club

The Rochester Lions Club has changed their monthly meetings from the second and fourth Tuesday to the second and fourth Thursday. The meetings are held at 7:00 pm in the Rochester Grange Hall. The Lions Club also sponsors a monthly Pancake Breakfast on the second Sunday of every month between 8:00 and 11:00 am at the Grange Hall.

Adoptable Animals

This week Animal Umbrella is featuring its many kittens which are adorable and now available for adoption. They include a short-haired male tiger, two short-haired calicos, two long-haired calicos with double paws, a long-haired orange and white male, and several all-blacks and black and white combinations.

The group also has many adult cats which are desperately waiting to be adopted. To name just a few: one all-black female, a small calico, and a beautiful long-haired cream-colored cat who is declawed and is presently living outdoors.

If you'd like to find out more about these offerings or any of the latest animals up for adoption, please call one of the local Animal Umbrella representatives:

- Mary Lou at 994-6168
- Diane at 997-4037
- Priscilla at 758-2896.

Just a reminder that all Animal Umbrella kittens have been vet-checked, wormed, and have received their first vaccinations. All adult offerings are spayed and neutered and have also been vaccinated.

Available from private pet owners this week: kittens who need good, warm homes. Some were abandoned and hand-fed, so they are very loving. Others are outdoors and desperately want to be inside. Anyone who can provide loving homes for these kittens can call 763-3232. The kittens are available in all colors.

Also available this week: four cute kittens and two sisters are available to be taken to a good home. Ages range from 3 to 14 months. All are good with children. Please call 748-0227 if interested.

Also available: two beautiful, six-week old kittens (long-haired tiger females) who have been tested and have had their shots ... and a very special terrier cross dog. She's older (about 8 years) and is very petite, has had all her vaccinations, and recently had her teeth cleaned. She is slightly hard of hearing, but seems to respond to hand signals. This pet would make a perfect addition for a family or loving couple. If interested in either of these two animals, please call Tara at 748-2164.

Old Rochester Regional Junior High School
SCHOOL AND COMMUNITY PROFILE

Located in the southeast corner of Massachusetts, near the entrance to Cape Cod and within commuting distance of Boston and Providence, RI, the towns of Marion, Mattapoisett, and Rochester offer the best of all worlds. Living less than an hour from two of the largest urban centers in New England, area residents are within easy reach of economic, social and cultural opportunities. This area boasts of an outstanding educational climate since many of our country's most prestigious colleges and universities are located within its boundaries. The towns enjoy easy proximity to the nation's finest beaches, the outstanding Buzzard's Bay sailing waters, and are just a short drive from the scenic ski areas of the northeast. The towns of Marion, Mattapoisett, and Rochester have been regarded as generally quite affluent. The Greater New Bedford Board of Realtors has indicated that houses sold through them during the past few years have tended to average between $160,000. and $200,000. for these three communities, varying by year and town. These figures are very high in contrast with the median home values in the Greater New Bedford area of $115,000. and an average home value of $127,000.

Marion, Mattapoisett and Rochester jointly administer and finance the Old Rochester Regional School District and Superintendency Union #55. The District is comprised of a junior high school, grades seven and eight, and a high school, grades nine through twelve. In Union #55, each town maintains its own separate school system at the elementary level. The towns share the services of the same Superintendent, Assistant Superintendent, Associate Superintendent for Business, Special Needs Director and other administrative personnel for the supervision and operation of the regional secondary schools.

Old Colony Regional Vocational Technical High School is the receiving vocational school for Mattapoisett and Rochester students while Upper Cape Regional Vocational Technical High School is available to ninth grade students from the town of Marion. The vocational schools and Bristol County Agricultural High School, which is also available to students from all three towns, annually receive eleven percent of the eight grade population. Tabor Academy, located in Marion, receives approximately eight percent of our eighth grade graduates while Bishop Stang High School generally has three percent apply.

Light industry, boating and food services are the major employment opportunities in New Bedford. The region is no longer a single industry, textile manufacturing or fishing area. As a result, there is a broad range of employment opportunities available, and demand exists for a wide diversity of services to support these. Marion and Mattapoisett have long been recognized as the homes of many of the managers and administrators of the region's businesses. Rochester's labor force is growing increasingly similar to those of Marion and Mattapoisett. This general trend, away from traditional blue collar occupations, can be expected to continue if the predictions of major growth in the service and technology-based industries are correct. The southern part of the state lacks over 20,000 such jobs. In addition, there has been increasing activity in the area by high technology companies. A growing number of such firms have been locating in areas south of the well-developed Route 128 belt. The Route 44 extensions will offer an added business incentive as well. With the recent completion of I-495, industrial development activities have been moving steadily southward. However, major industrial parks that have been developed in Taunton, Middleborough and Lakeville are experiencing economic difficulties. Additionally, established firms, such as Sippican in Marion have been hard hit by the recession. The real prospect of gambling casinos sponsored by the Wampanoag Indian tribe brings the questionable advantage of legalized gambling to our area.

The current unemployment rates are as follows: Marion 5.1%, Mattapoisett 8.3%, and Rochester at 7.0%. According to the 1990 census, 3.8% of Marion families live on an income below the poverty level, 2.7% Mattapoisett residents and 1.8% Rochester residents. Of the 399 students attending the junior high school, 45 receive free and reduced lunches. Twenty-four students receive Chapter 1 math services while 63 receive Chapter 1 reading supplements. The seventh grade reading program under the direction of the Chapter 1 Program Director now supplements Language Arts instruction.

The three towns have a total school population of 2,346. There are four elementary schools in the district: two are K-6, one is K-3 and one is 4-6. The junior high school includes grades 7 and 8 while the high school serves the 9-12 population. The educational cost per pupil is $4,882 at the junior high school level and $5,228 at the high school level.

At the present time there are no tuition students attending the junior high school. Of the three towns, the town of Rochester has experienced the most significant change in the composition of its community. Until 1989, Rochester was a rural community but has rapidly become a bedroom community for middle management executives. At the present time 65% of local Rochester taxes are allocated for schools while Marion contributes 48% and Mattapoisett 55%.

Student daily attendance in the junior high school averaged 95.777 percent over the period of the last three school years. Average faculty attendance was over ninety percent for the same period. Over twelve percent of the students earn honor roll status on a consistent basis. The school has no dropout rate, but students do transfer when families move. The junior high school has seen a significant increase in placements of students by the Department of Social Services and the Mentor program. These placements tend to have dramatic impact on the number of services provided to these students with special needs.

Students may choose to become involved in the school newspaper, "Natural Gas", the "Navigator" yearbook, or the "Navigator's Log" literary magazine. Our "Catch of the Day" acknowleges special student contributions of honesty, helpfulness or assistance to peers or staff members while the "Student of the Month" program identifies students who consistently demonstrate good citizenship and academic effort. At the end of the year awards assembly, academic, athletic and service achievements are recognized. In 1993, twenty students received badges from AAHPERD "Physical Best Health Fitness" program. Additionally, Presidential Academic Fitness Awards are presented at the awards assembly to qualifying students. Awards are also given to students for academic excellence in all areas, for good citizenship, and highest two-year class rank. Among the most successful group activities are the Odyssey of the Mind program, the Math Olympiad National Competition, and the Math team which competes with surrounding schools. Project Contemporary Competitiveness (PCC), an eight-week enrichment program available to 8th grade students, is located on campus at Bridgewater State College during the summer. CASH-IN, an after-school academic support program and DARE, a substance abuse prevention program funded through the Massachusetts Governor's Alliance monies, both focus on at-risk students.

There is little significant age-grade difference among junior high school students; their ethnic and cultural composition mirrors that of the adult population in the communities, namely, Caucasian and Cape Verdean. Records of the past three years show an increase in the number of local parochial students who transfer into grade seven.

The California Achievement Tests are given to eighth grade students and the results have been consistently above national averages. The Iowa Prognostic Test is administered to seventh grade students to identify eighth grade Algebra candidates. The Harrington-O'Shea Interest Inventory has proven a valuable tool in our grade eight "Decisions" course. Sixty-five percent of the students participate in afterschool or intramural activities. There were 13 out-of-school suspensions during 1993-1994. Disciplinary referrals of all kinds (non-suspension) for the past three years are 1991-92: 549, 1992-93:618, 1994-94:515. The implementation of a "Planning Room" alternative to suspension patterned after the Glasser model as well as a developing Peer Mediation initiative, has had a positive impact on school behavior.

Parents are valued participants in the life of the school. They serve as volunteers in the library, as chaperones at school Dance-Parties, as mentors during our "Survival" and "SurvivORR" programs and as homeroom parents. The Annual Open House and quarterly "Coffee with the Principal" sessions are well-attended by parents of seventh and eight graders. Community outreach programs include the Senior Thanksgiving Dinner, the AWE (Activities with the Elderly) program, the student-instructed ABC program (Adult Basic Computers) Grandparents Day, and the spring Chicken-Picken

musical presentation. Students also extend themselves to service the local day care program with our seventh grade readers and as volunteers for Project SHARE. Environmental concerns are addressed as our students assist with hurricane coastline cleanups, construction of osprey perches and oyster bed transfers. The seventh and eighth grade two-day orientation program at the local YMCA Family Center is an example of a school-community partnership. Support for vocational education is demonstrated by the school-to-school partnership for our bi-annual Vocational Fair held at the school. The Student Affairs Committee (SAC) has been active in the community. Glasses for the Lion's Club, canned goods for Catholic Charities, and the reconstruction of the District school marquee are evidence of these efforts.

The junior high actively supports the concept of teacher involvement and professional development by offering opportunities either through outside conferences and visitations or by courses designed by and for their colleagues.

Partnerships with the community are myriad. Groups of basketball players, Little People's graduation, local cable telethons, boating safety classes, Boy and Girl Scout groups, model train exhibition, Barbershoppers, local road race meetings are but a few examples of the community's utilization of this facility.

A powerful prayer to the Holy Spirit -
Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor.
Only your initials shall appear at the bottom. J.W.

THANK YOU GOD - Pray 9 Hail Mary's during 9 days. Ask for 3 wishes; 1 involving business and 2 impossibilities. On the 9th day publish this article and your wishes will be answered even though you may not believe it. Believe it. M.S.

Community Nurse Association

Volunteers Needed

The Hospice of the Community Nurse Association provides a special kind of caring for terminally ill patients and their families in the home setting. The care, provided by a professional caring team, treats the whole patient — considering physical, emotional and spiritual needs. The goal of this care is to maintain a quality of life for both the patient and family. This means helping to keep the patient as free of pain and as comfortable as possible, and to help the whole family to make the most of the time that remains to them.

The Hospice of Community Nurse Association is offering a 24-hour training program for volunteers. The
